S/037/116, San Juan County, Utah

Dear Mr. Murphy:

On April 13, 2005, the Division received your letter asking what you needed to do to port the existing Oil, Gas and Mining permit to the new Trust Lands Administration lease (ML49721-MP). The only action necessary is to include the new lease number in your Notice of Intention to Commence Small Mining Operations. The Division considers this an amendment to your Notice and hereby approves the amendment. No other changes to your Notice were requested or have been authorized.

Thank you for submitting this information to keep your Notice updated. Any questions concerning this approval should be directed to Paul Baker at 801-538-5261.

Sincerely,

Susan M. White
